The Norwalk High School Fathers Club

Organization of Fathers, Mothers and Guardians

The Fathers Club is a parent service organization made up of dedicated *fathers, mothers, and guardians of NHS students, and a dedicated group of alumni parents*. The Fathers Club is Norwalk High School's oldest parent group. Founded in 1945, the Fathers Club has been raising money for under-funded, non-budgeted school activities and supplies for over 60 years.

To raise money, the Fathers Club sells refreshments at home football games in the fall, at basketball games in the winter, and at the spring musical. Working with the music department, the Fathers Club volunteers sell tickets, assemble the ad journal, place advertising, and work as ushers for the spring musical.

In the recent past, we purchased a digital camera and printer for the social studies department, a laptop computer and multi-media projector and cart for the art department, and a document viewer for the library. We also funded bus costs for the poetry contest, purchased new speakers for the auditorium, and helped fund the purchase of new uniforms for the sports teams. Each May we award several scholarships to graduating seniors.

Membership is open to all NHS families. To join, just fill out the membership form below and mail it to NHS Fathers Club, P.O. Box 755, Belden Station, Norwalk, CT 06852-0755.
